### 14 Cited During Pedestrian Safety Operation

Glendora, Calif. – The Glendora Police Department issued 14 citations for a variety of violations made by drivers during a pedestrian safety operation on February 10, 2025.

14 drivers were cited for failure to yield to pedestrians in the crosswalk. The operation took place at 300 E Foothill Blvd. from 6 a.m. to 2 p.m. 16 people were contacted during the operation.

"Safety is a shared responsibility, with drivers holding the greatest responsibility to keep other roadway users safe," Captain Shelly Gold said. "We hope this operation serves as a reminder to everyone to practice due care and to look out for one another."

The Glendora Police Department will be holding another pedestrian and bicycle safety operation in March.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
