

CITY OF GLENDORA

APPLICATION TO REQUEST SAFE STREET PROJECT

Please use this form to highlight safety concerns which the City of Glendora's Transportation Division will review with the Traffic Safety Advisory Committee (TSAC) to determine eligibility and appropriate treatments as warranted.

Are you aware of the City of Glendora's Safe Street Ordinance and Policy?

Yes No

If "No," please review. Staff will provide by request; please email transportation@cityofglendora.org

The Street Representative must be a resident of the street segment being considered. The Street Representative will act as the facilitator between street segment residents and City of Glendora staff. Street Representative duties will include regular correspondence with City staff and collection of all necessary signatures from residents.

The construction of a Safe Street project will only be considered after the receipt of a petition from 67% or more of the affected street's property owners in favor of Safe Street improvements.
